## Get cycling!

Play through the 18 levels of Cyberbike 2 and help your eco citizen avatar clean up the planet Cyclo. Whether on the ground, underground or in the air explore 4 different environments with 4 original vehicles, (bike, hydroplane, trolley and helicopter). The whole family can play in 3 game modes: rise up to challenges, unlock new accessories and new vehicles in Story mode, compete against your friends online in Multiplayer mode or work out on 3 types of training circuits.

The new exclusive version with magnetic resistance once again makes the Cyberbike the best way of taking exercise at home while having fun!

## Main Features

- A real magnetic resistance home exercise bike that you can connect to your PS3™ console
- 18 levels across 4 environments with numerous challenges to unlock
- 3 game modes:
  - **Story Mode:** Unlock vehicles as you play...by pedalling.
  - **Fitness Mode:** Set yourself objectives in 3 types of race (long-distance, speed or staggered race)
  - **Online Multiplayer Mode:** challenge your friends online and find out who is the best player.
- Enter your highscore on the PS3™ leaderboard and compare your scores with players from all over the world.
- Progress in the story and unlock new avatars and new elements that you can use to customise your vehicles.
- Adjust the difficulty levels depending on how you want to play.
